-

Trash Collection to Change

Trash pickup will be changing February 1st. There will no longer be pickup in the alleys. It will need to be taken to the street.

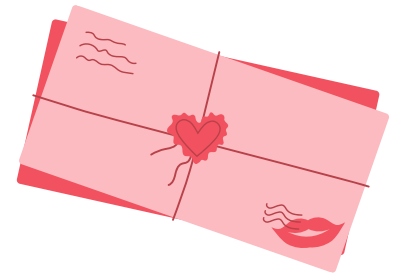

*Commercial businesses with dumpsters in the alley - they will remain where they are placed. Pickup **will NOT** be changed for you.*

If you have questions on exactly where to place your receptacle, please contact your Trash provider.

Carl's Skrap: 402-764-8191

Mid-Nebraska Disposal: 308-382-7053

Valentine's for Veterans

Everyone is invited to come make Valentine's for local veterans. You can do this at the Clarks Public Library the week of February 3-7th, in the afternoons. Supplies will be provided to make the cards - You just bring the creativity.

Around the Community...

The Village of Clarks is committed to maintaining quality neighborhoods and an excellent community environment. Our citizens expect us to do everything we can about this. The board knows that this can only be achieved through the cooperation of everyone involved.

The Village's objective is to clean up the community and improve the living environment. The board hopes you will work with them to maintain a positive community environment. Your cooperation will be greatly appreciated.

It is against the Municipal Code for any unlicensed or inoperable vehicle to remain on any premise for more than 30 days. At the February meeting, the board will meet with Lone Tree Towing to discuss towing vehicles in violation that the owner has not removed. If your property is placed in nuisance abatement and is not remedied by yourself, the board can remedy the abatement and charge the homeowner for any costs.

This Nuisance Abatement Procedure was put into place in 2017. If anyone wants to see the items that would make a property a nuisance, you can stop in the Village Office to look at the Municipal Code Book. If you have a project you are working on and it should be exempt from Nuisance abatement, please discuss this with Code Enforcement Officer Grause or the Village Office.
