### True North Medical is now seeing Patients

Brady Hanquist, PA-C has had a vision to open a medical clinic in Clarks and on December 11th he did a soft opening at the Clinic located at 212 N Green St. Brady has been in the medical field for 14 years and specializes in Family Medicine.

You will be able to get medical treatment for common and general medical conditions, injuries, yearly physicals, Hypertension, Type 2 Diabetes, high cholesterol and many more conditions. Lab testing and in-house tests for Flu, covid, strep, and more are available.

Brady is still working on getting credentialed for insurance. Office days will be Mondays and Thursdays. You can set up

an appointment online through the Scheduler or contact Brady at 402-366-0872. Even if something happens on a non-clinic day, don't hesitate to call for an appointment. Thank you Brady for bringing your business to the Clarks Community.
