Subscribers to the Grand Island Independent will see a change

Recently the Grand Island Independent newspapers stopped being stocked on the shelves at the Kwik Stop and getting delivered to the post office. Subscribers are to contact 308-381-9476 or email: custservice@independent.com with your questions.

The Post Office has been told that this has now changed to a digital only subscription and will no longer be delivered to your mailbox.

Homestead Exemption Workshop

If anyone has questions or needs help setting up Homestead Exemption for their property, the County Assessor will be in town.

April 14th from 1 - 2:30 p.m., Assessor Myers will be available to meet with anyone at the Village Hall Meeting room.

Help Keep Sewer lines Clean

Flushable towels, paper towels, diapers, cloth rags and products of this nature, should not be flushed into the sewer system. These items cause the sewer lines to become blocked and backed up. Thanks for helping to keep the sewer system working for everyone in town.
